

Soulful Founder Program

by Soulful Center for Learning

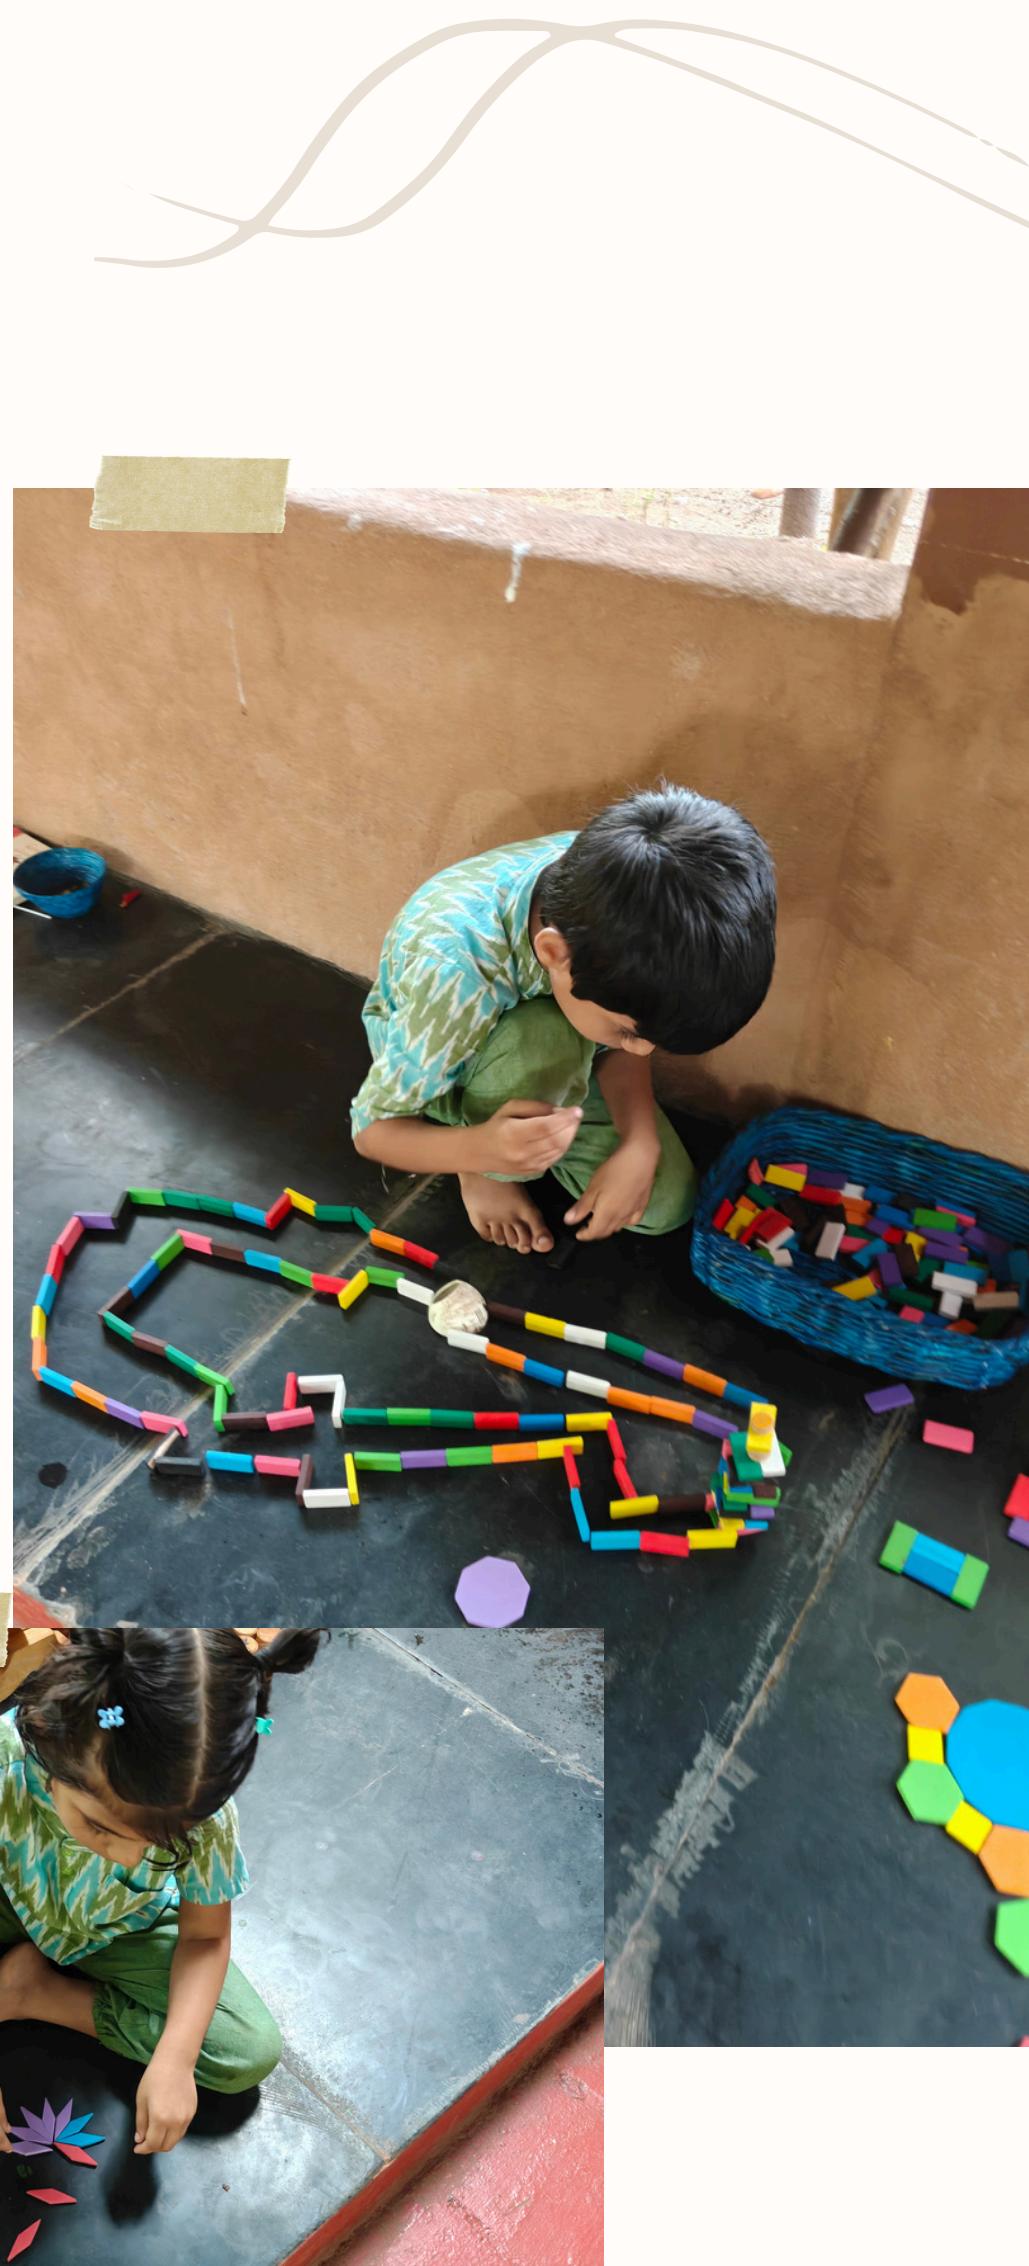

This program is for...

Parents looking to start a micro school for their child and the community around them.

School leaders looking to transform an existing school.

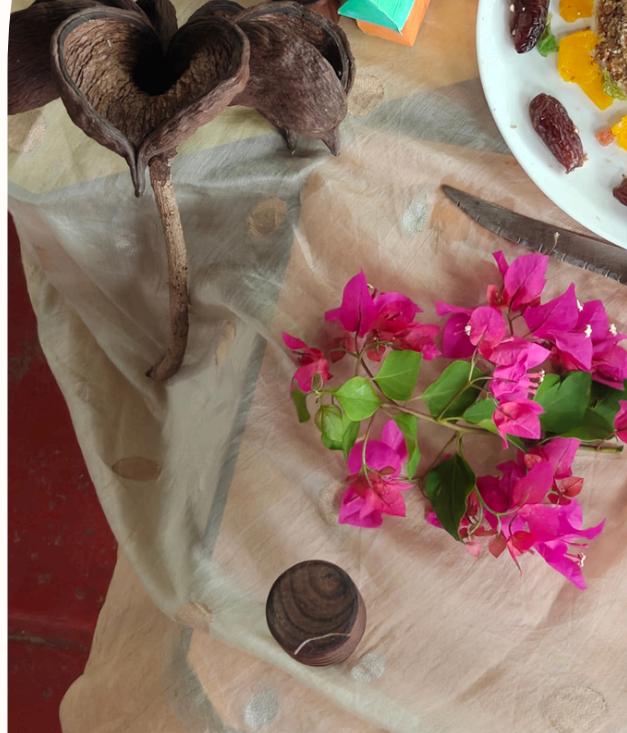

Specifically..

People who feel a strong urge to do deep inner and outer work in education, learn from children, and grow with them.

”

Not just a
course, a
path of
becoming

Goal of this program

WHAT DO WE AIM FOR?

For one to

- learn about creating child led, creation led, and curiosity led environments.
- lead from one's inner voice and create a microschool of one's dreams.

A Three-Part Journey

TO FOUNDING YOUR MICROSCHOOL

The program unfolds as a **three-part journey** moving from inner clarity to lived practice. Each phase supports you to shape a microschool that is deeply aligned, practical, and your own.

Part I

PEDAGOGY, PERSPECTIVE & PRACTICALITIES

This component weaves **inner work with progressive pedagogies such as child-led, nature-based, and creation-led frameworks** to define how children will learn in your space. It also touches upon key practicalities such as legal, administrative, and financial sustainability.

Outcome: A grounded pedagogical framework and a ready-to-execute roadmap for your school's launch.

Mode: Online live sessions

Certificate: From **Soulful Center for Learning** upon completion.

Part I: Modules

PEDAGOGY, PERSPECTIVE & PRACTICALITIES

Pedagogy

- **Child-led learning** child-led literacy & numeracy
- **Creation-led learning (& living)** Project based, curiosity led learning
- **Place-based learning:** Nature based learning & Farm schools

Perspective

- **Founder Journey** Q&A with founders
- **Raising soulful children** Inner work & Conscious parenting
- **Microschool landscape** An overview of progressive schools

Practicalities

- **Crafting a blueprint** Administrative & Financial

Part 2

TRANSLATE YOUR PURPOSE INTO TANGIBLE STRUCTURES

To align vision & everyday practice, the cohort will be part of the course

Articulating the Intangibles of Teaching, from Professional Education at the Harvard Graduate School of Education.

Outcome: Make your mission and values visible in daily practice.

Mode: Online Asynchronous + Live sessions facilitated by Pavée, founder of Soulful (a Harvard alumna).

Certificate: From **Professional Education at the Harvard Graduate School of Education** upon completion.

Part 2: Modules

TRANSLATE YOUR PURPOSE INTO TANGIBLE STRUCTURES

Modules 1 & 2:

Finding Your Why & Framing Your Vision

Surface your purpose and frame a clear mission and vision for your teaching.

Modules 3 & 4:

Routines & Strategies for Purposeful Practice

Describe and refine routines and strategies that bring your mission and values to life.

Modules 5 & 6:

Artifacts of Student Learning & Aligning Your Practice

Study student work to make the intangibles of teaching visible and align your practice with your mission and vision.

Part 3: Ongoing Support

BLUEPRINT TO REALITY

For **one academic year**, you are invited into our "Living Lab" to witness the daily evolution of Soulful Center for Learning. We share the honest pivots and **growth of a vision in real-time**.

Outcome: Capacity to design learning that responds to children and place.

Mode:

Fortnightly updates from the Soulful journey delivered via digital files, videos, and emails. Access to lesson plans, practitioner reflections, and resource materials.

Takeaways

CLARITY & BLUEPRINT

Clarity in vision via review of different pedagogical stances + administrative blue print for your micro school.

CURRICULUM SUPPORT

The curriculum sharing begins June 2026 and goes on till March 2027. You will receive a fortnightly update of happenings at Soulful as they unfold, along with resource materials.

Takeaways
